=====

3. EIGHT RETIREMENT SAVINGS MISTAKES TO AVOID

Effective retirement planning is often equated with making good decisions, but avoiding common mistakes can be equally important. Just one or two things done incorrectly can derail your retirement plans. Here are several retirement savings mistakes to avoid.

=====

4. SAVINGS STRATEGIES FOR ANY LIFE STAGE

While most people would admit that saving money is critical to their financial well-being, many lack the discipline or know-how to save what they need. No matter your life stage, there are savings strategies that can work for you.

=====

5. HOW MUCH DO YOU NEED TO RETIRE?

Determining how much money you need for retirement is a highly personal and complex decision. It depends on the

retirement lifestyle you desire, your target retirement age, your life expectancy and several other factors.

=====

6. INSURING YOUR HOME-BASED BUSINESS

There are anywhere from 10 million to 25 million home-based businesses in the U.S. But relatively few of them have insurance, yet all of them should.
